2016-17 Annual Fund Drive

Celebrating 21 years in
Warren County

Building Homes, Communities
and Hope!

Warren County Habitat for Humanity (WCHFH) has provided affordable home ownership opportunities for hard-working families for the past 20 years. Today, our mission is as critical as ever. Investing in families makes a difference. For the first time, the families have their own place. Their home matters.

You can help us provide affordable homeownership opportunities for years to come. Your donation will help more families share a safe place to call home. Contributions are needed to complete our mission. The majority of our funding comes from a combination of individuals, churches, businesses, civic organizations, foundations, and grants. This financial help is not only necessary for our next project, but demonstrates to grant-funders and major donors the breadth of dedication from the community.

It takes an average of \$95,000 to build a Habitat House in Warren County. Current Habitat homeowners' monthly mortgage payments also go into our "Fund for Humanity" which goes toward

building more houses here in Warren County.

Our goal for the 2016-17 Annual Fund Drive is \$60,000. Your support is needed to help WCHFH continue to meet its mission now and in the years ahead.

Thanks for your consideration!
